## Parents and/or Teachers:

We prepared this educational material with dynamics and activities in order to provide you with a resource to supplement the Bible Studies given by Reverend Jose Benjamin Perez Matos.

It is separated by page order (according to the selected Bible Study) and ages.

It is recommended that you download the Bible Study in booklet form directly from the page [www.carpa.com](http://www.carpa.com) and that you download the didactic material from the page [www.escuelabiblicadeninos.com](http://www.escuelabiblicadeninos.com).

Once you have downloaded both materials, you can choose the dynamic or activity you wish, according to the age of your children.

The materials used in the different activities or dynamics are suggested; you can adapt them to your environment, available material and class time.

"That is the Angel that will be the messenger to the Church of Jesus Christ at the Last Day, in the Age of the Cornerstone, and then he will be the messenger to the Hebrew people as well; because he is a dispensational prophet messenger promised in the prophecies and parables that were spoken, and that will be fulfilled in this end time."

those Seven Thunders holds that mystery. The Heavens was quiet ([JBP] and he writes): [WSS] «silence for ½ hour». Everybody understand? [Congregation says, "Amen."—Ed.] It may

<sup>[327]</sup> Maybe this ministry, that I have tried to take people back to the Word, has laid a foundation; and if it has, I'll be leaving you, for good. There won't be two of us here the same time. See? If it is, he'll increase ([JBP] and he writes there): [WSS] «another prophet is coming»; I'll decrease. I don't know.

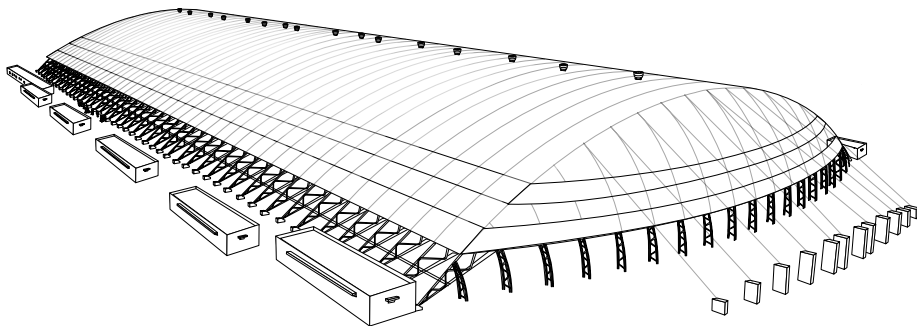

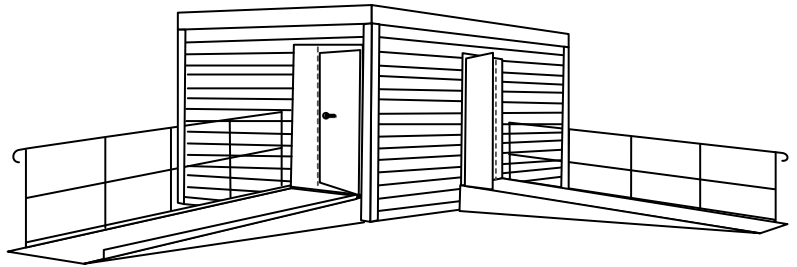

<sup>[328]</sup> But I have been privileged, by God, to look and see [WSS] «in the Tent» what It was [WSS] «Moses», see, see unfold to that much.

## What is a Revival?

Throughout Scripture we find many revivals that have taken place. And what is a revival? A revival is the movement of God, the movement of God in the power of God, it is a divine movement on this Earth manifested, it is the way God moves in the time in which one lives, it is the manifestation of the Work of God for that time.

And when a certain time is reached for God to do something, then a revival arises; and that revival is the great manifestation of God, the great movement of God to fulfill what He promised.

And when people enter that divine movement, they enter to receive God's blessing for that time. There is no other way to receive God's blessing, you have to enter the divine movement for that time. And that divine movement is the revival of God, the revival of God for that time; and the people who enter into that divine movement, are in a divine revival, and that divine revival produces the divine blessings, the divine blessings for that time.
