Parents and/or Teachers:

We prepared this educational material with dynamics and activities in order to provide you with a resource to supplement the Bible Studies given by Reverend Jose Benjamin Perez Matos.

It is separated by page order (according to the selected Bible Study) and ages.

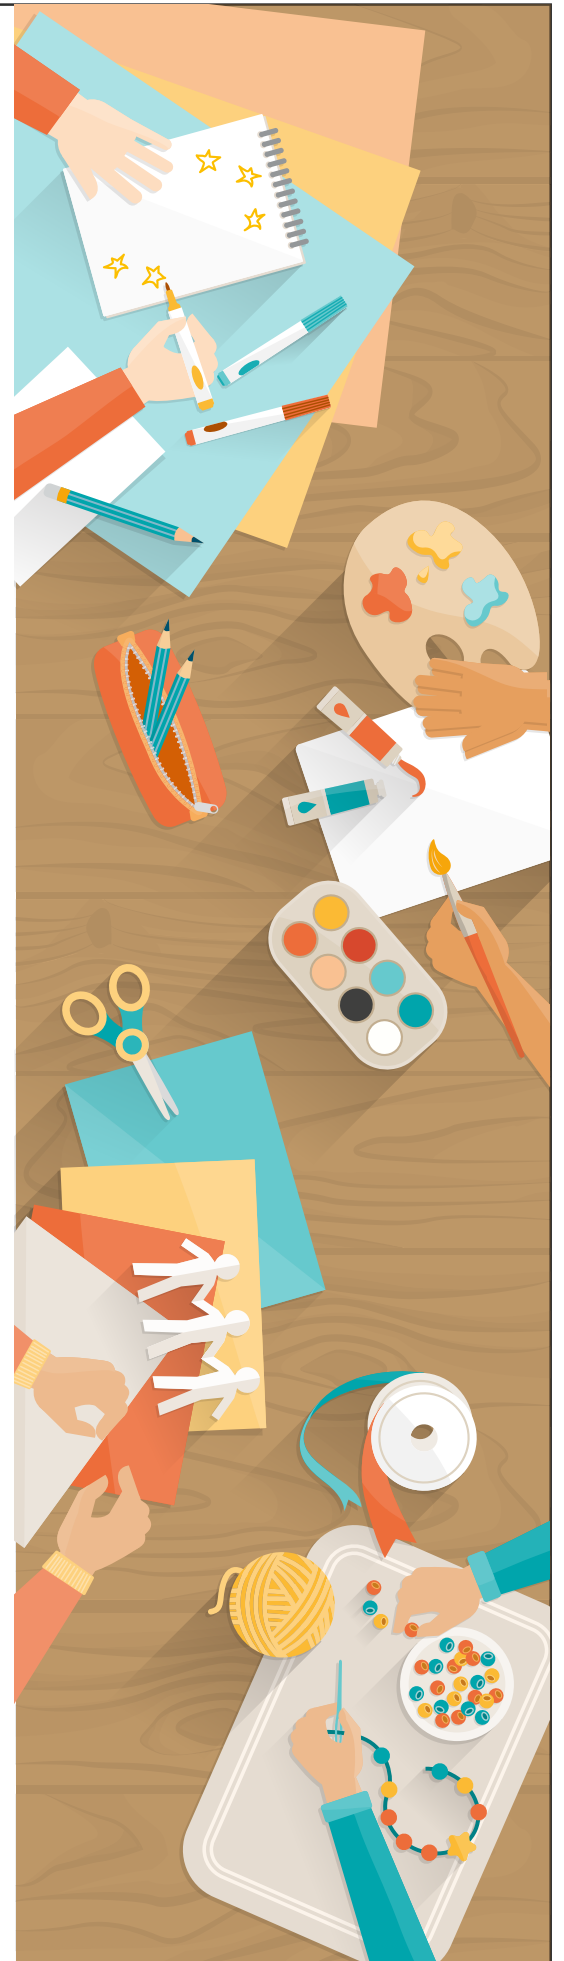

It is recommended that you download the Bible Study in booklet form directly from the page www.carpa.com and that you download the didactic material from the page www.escuelabiblicadeninos.com.

Once you have downloaded both materials, you can choose the dynamic or activity you wish, according to the age of your children.

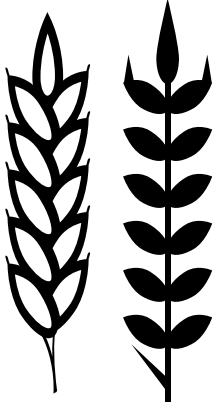

The materials used in the different activities or dynamics are suggested; you can adapt them to your environment, available material and class time.

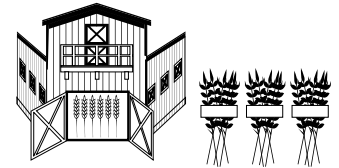

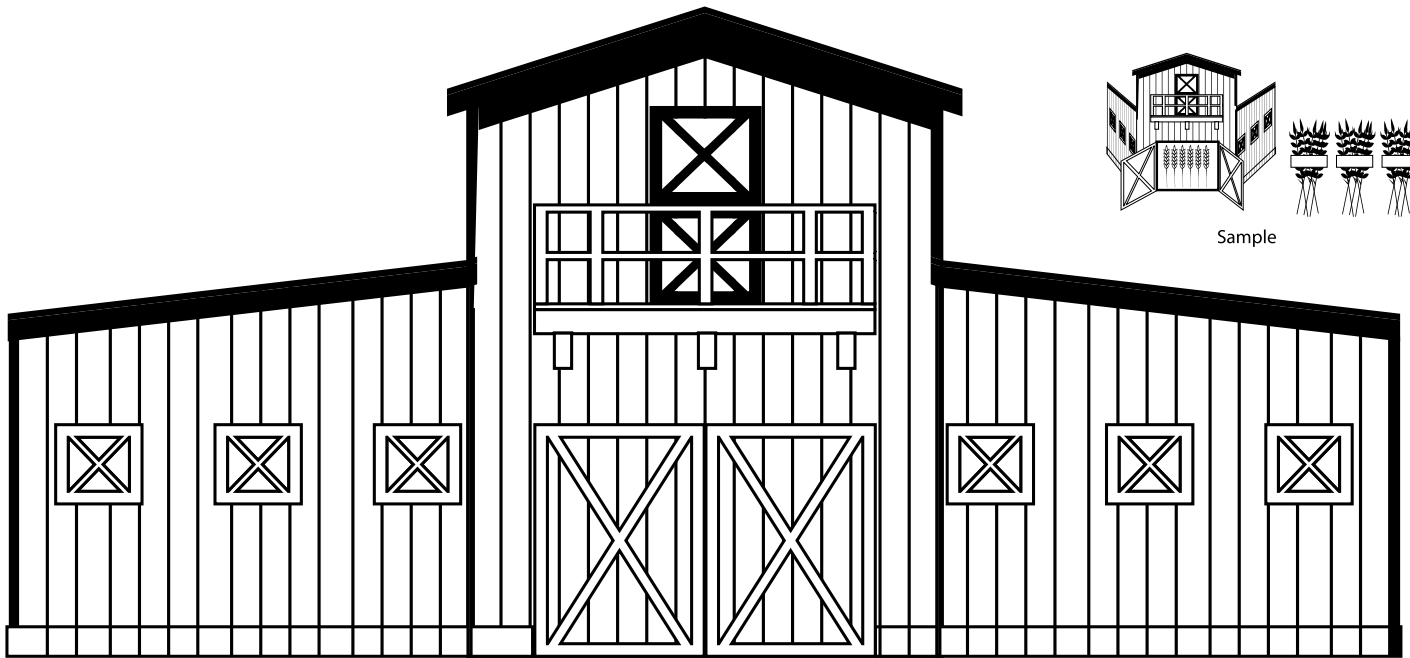

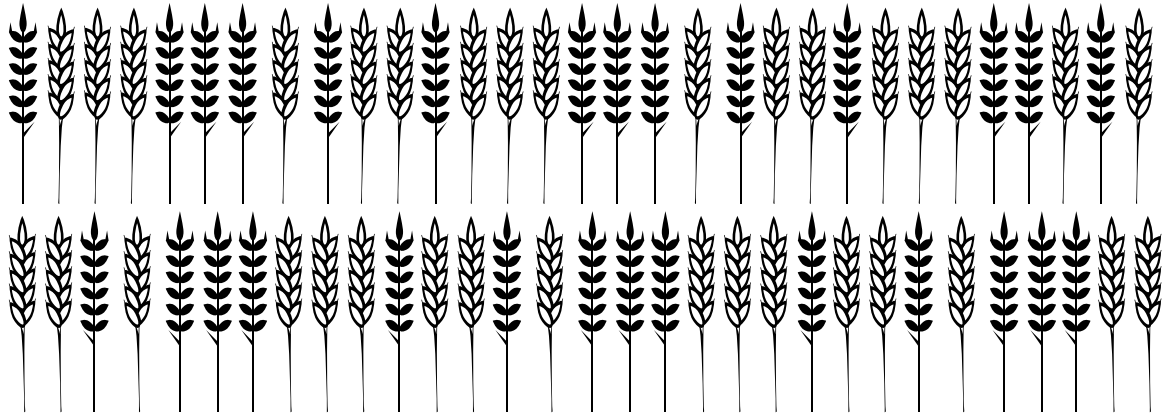

Instructions:

Cut out separating the wheat from the tares, also cut out the barn (you can open the doors and fold).
Read the Bible Study carefully so you will know who are the Reapers who do the separating in this end time.

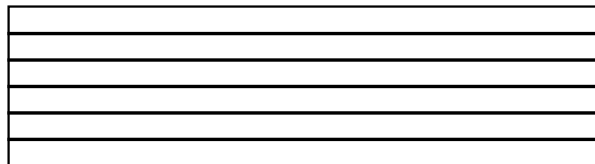

Wheat

Tares

Sample

To bind the tares

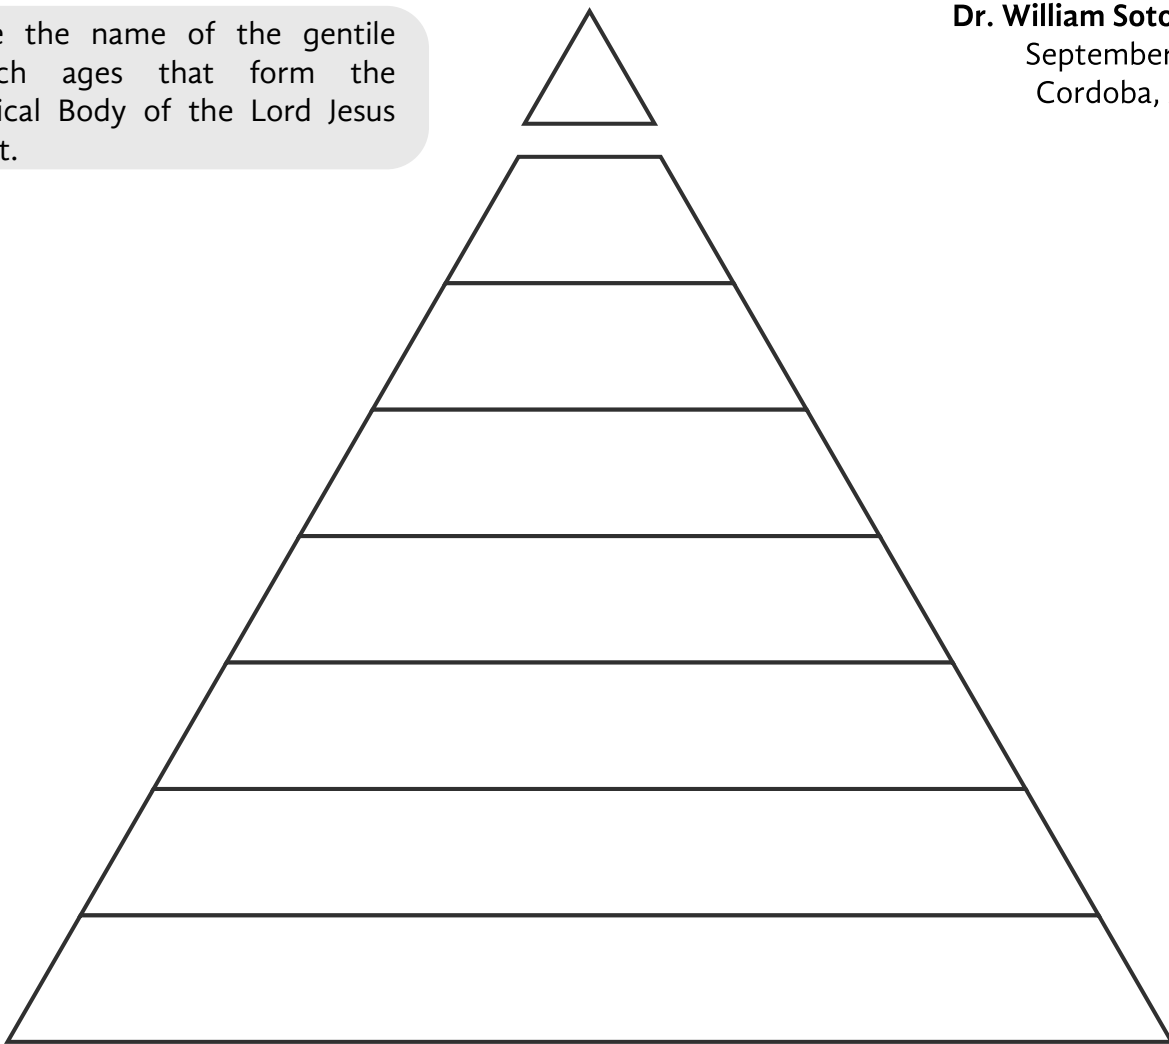

The pre-teens can build a larger model and carry out a dynamic in the classroom, harvesting and separating.

Now, in the Mystical Body of the Lord Jesus Christ, in His Church, which is the Wheat Plant, that is where the wheat would be reproduced as the Corn of Wheat that was sown.

We find that it is in the Wheat Plant where the elect would be at the end of time to be harvested, to be gathered by the final ministry, the ministry of the Angel of the Lord Jesus Christ with that double ministry of Moses and Elijah operating in him, to be placed in the Storehouse of God; so that the elect at the end of time may receive the transformation of their bodies, and those who departed in the past may receive the transformation - or resurrection of their bodies; and all then, here together at the end of time, to be in the image and likeness of the Lord Jesus Christ, with an eternal and glorious body like that of the Lord Jesus Christ.

Write the name of the gentile Church ages that form the Mystical Body of the Lord Jesus Christ.

[WSS] «The Messiah lived yesterday among the Easterners, and today among the Westerners».

240 But the prophet said, "The Son will not shine through this day; it'll be a day of gloom." They've had enough Light, like a real rainy day, they could join churches, and believe the Lord, and things like that. But, he said, "In the evening time, the clouds will move away, the denominations will fade." And the same Gospel, the same Word made flesh, as He promised in Luke 17:33. The same Gospel, with the same thing, would take place in the evening time, just when the shadows are getting low.

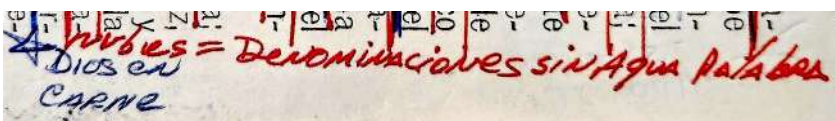

The Gospel traveled with the sun

[JBP] And he writes: [WSS] «God in flesh».

[WSS] «clouds = denominations without Water, Word».

Cut out and place everything that will be resolved in the half hour of silence inside the Pyramid.

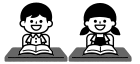

Everything will be resolved in the half hour of silence.

[JBP] That is why John was weeping desperately for someone to take that Title Deed; because he knew that by taking it, the half hour of silence would start, where the whole problem of the human race would be resolved.

THIS AGE WILL NOT BE DENOMINATIONALIZED

And remember that that is how it is with... If that is how it is with those of the denominations, who have organized themselves when the messenger left...; and they organized themselves, and the other messenger came, gathered his group and left; and those who stayed, interpreted what that messenger had brought and made a denomination...; **[WSS] which will not happen in this end time in the Age of the Cornerstone and Dispensation of the Kingdom because the messenger of that dispensation and of that age will be present, will be alive.**

We have read that I believe in a meeting or in a greeting, where he says that **[WSS] "The Age of the Cornerstone will not be denominationalized (we read on one occasion) because He will leave the ministries of Moses and Elijah";** and two, in another place he says: **[WSS] "because the messenger will be alive."** And if he is alive, the same thing that happened in past ages will not happen.

[WSS] Therefore, one of the things that will really prevent the two seeds from being bound together and this Age of the Cornerstone from being denominationalized, do you know what will prevent that? The only thing that can prevent this Age of the Cornerstone from being denominationalized is that that dual ministry, that ministry of those Angels, to remain in that age; because if it goes away, then the other ministers come, and the devil can deceive them by saying, "No, such a thing means such a thing, such a thing means such a thing"; and that's when then..., you know, then that's when they add to it and take away from it.

 Ministries of Moses and Elijah remain in the age

The AGE OF THE CORNERSTONE will not be denominationalized.

[Rev. Jose B. Perez] He continues **[(MM) "TIME OF WAITING AND WORKING"]:**

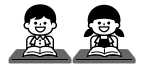

[WSS] The other messengers already left; only one remains ([JBP] and if one will remain: it is because he will be alive): the last messenger; he will be the messenger for the Age of the Cornerstone.

And then you will see that the Third Pull will be manifested in all its fullness: the creative Word being placed in the mouth of a man: that man speaking, and things happening.

For that stage the Church will be prepared before that stage comes...

TIME OF WAITING AND WORKING (Ministers Meeting)
 Dr. William Soto Santiago
 Saturday, June 24, 2006

Read carefully the narration given by Reverend Jose Benjamin Perez when he was with Dr. William Soto Santiago.
... We were one occasion, brother William sent me to read that vision when the brother - the Lord showed brother Branham, he says to him:

Office

[WMB] "Do you see there those seven peaks? (Do you remember that...?) Your name is on the mountain."
And I was reading it there, and when I was saying: [WMB] "M-a-r-r-i-o-n B-r-a-n-h-a-m," and he told me:

[WSS] "Stop! (He says) Marrion is not a name, Branham is not a name."

And [covers his mouth -Ed.] ...he went like this, like a kid.

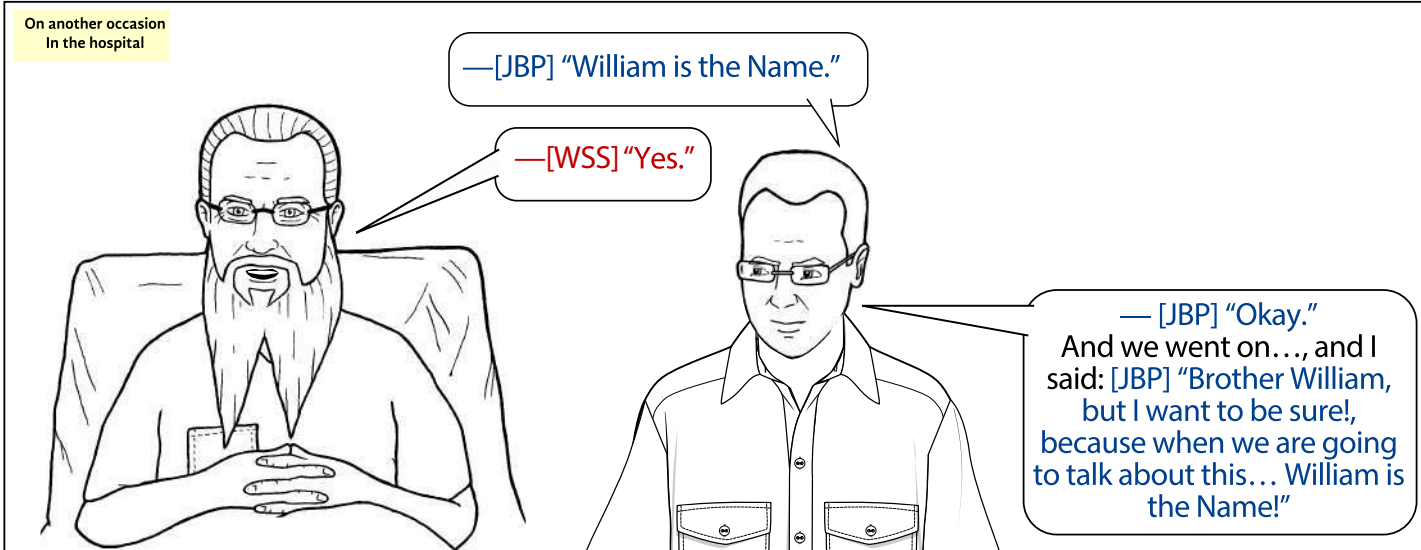

And he does to me [with his index finger vertically he makes a gesture of silencing his lips -Ed.].

—[JBP] "Oh, brother William. I knew it, I already knew it. So, William is the Name."

**On another occasion
In the hospital**

—[JBP] "William is the Name."
—[WSS] "Yes."
— [JBP] "Okay."
And we went on..., and I said: [JBP] "Brother William, but I want to be sure!, because when we are going to talk about this... William is the Name!"

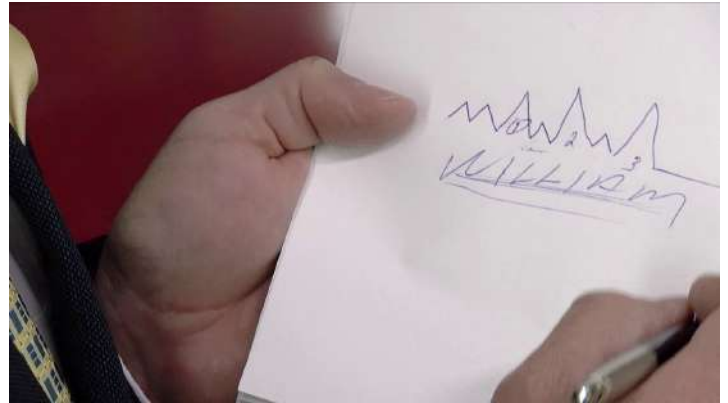

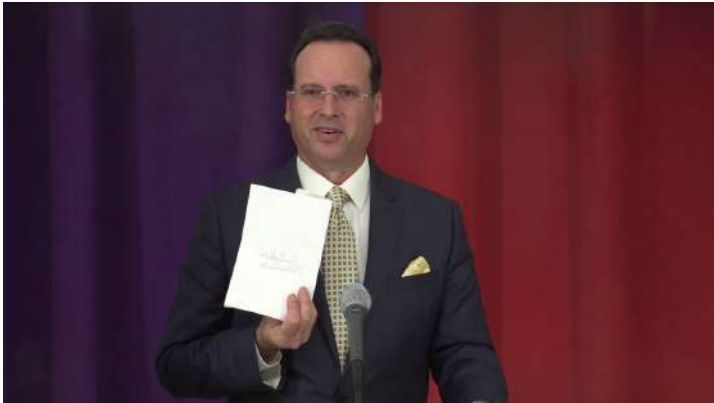

—[WSS] "Of course!"

And that echoed in that room:
—[WSS] "Of course!"

Carefully read the narration of the peaks.

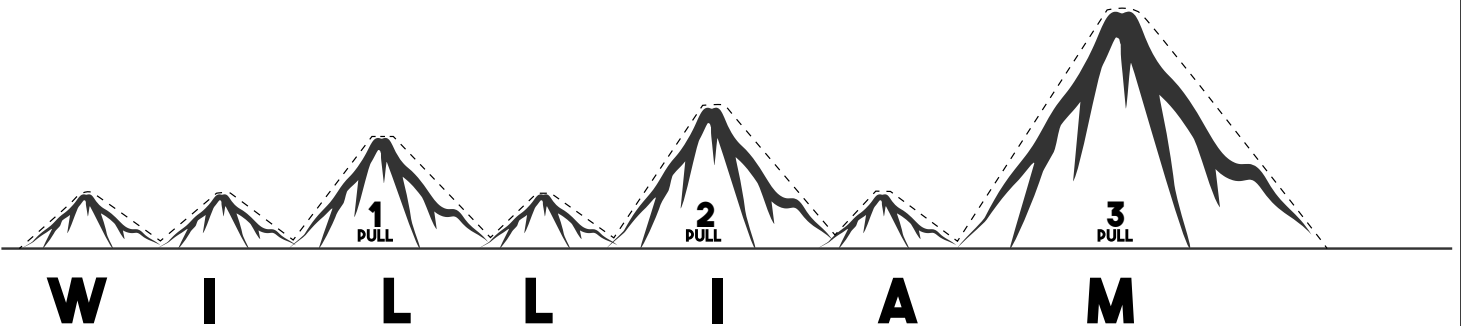

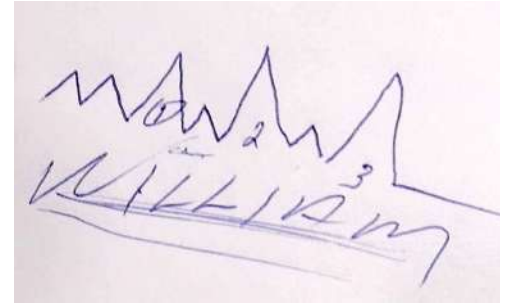

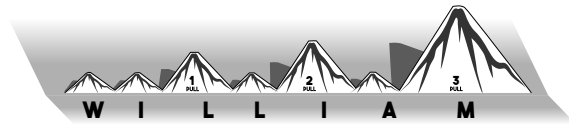

Materials: Egg carton, scissors, glue, paints.

With the help of your parents or teachers, cut them out individually to form the small peaks. For the medium peaks you can put one on top of the other using glue; for the tallest peaks you can put 3 or 4 on top of each other. Paint them and place the corresponding letters and numbers.

Read the narrative of the peaks carefully.
Color, cut along the dotted line and fold the peaks to
the front so that they stick out.

The important thing is one in the mind to know who to focus that Name on, because when brother Branham... we were one time, brother William sent me to read that vision when brother – the Lord showed brother Branham, He says to him: [WMB] "Do you see there those seven peaks? (Do you remember that...?) Your name is on the mountain."

And I was reading it there, and when I was saying: [WMB] "M-a-r-r-r-i-o-n B-r-a-n-h-a-m," and he told me: [WSS] "Stop! (He says) Marrion is not a name, Branham is not a name."

And [covers his mouth –Ed.] ...he went like this, like a kid. And he does to me [with his index finger vertically he makes a gesture of silencing his lips –Ed.].

—[JBP] "Oh, brother William. I knew it, I already knew it. So, William is the Name."

—[WSS] "Yes."

—[JBP] "Okay."

And we continued talking..., and I asked him: [JBP] "William is the Name."

—[WSS] "Yes."

—[JBP] "Okay."

And we went on..., and I said: [JBP] "Brother William, but I want to be sure!, because when we are going to talk about this... William is the Name!"

—[WSS] "Of course!"

And that echoed in that room: [WSS] "Of course!"
