The materials used in the different activities or dynamics are suggested; you can adapt them to your environment, available material and class time.

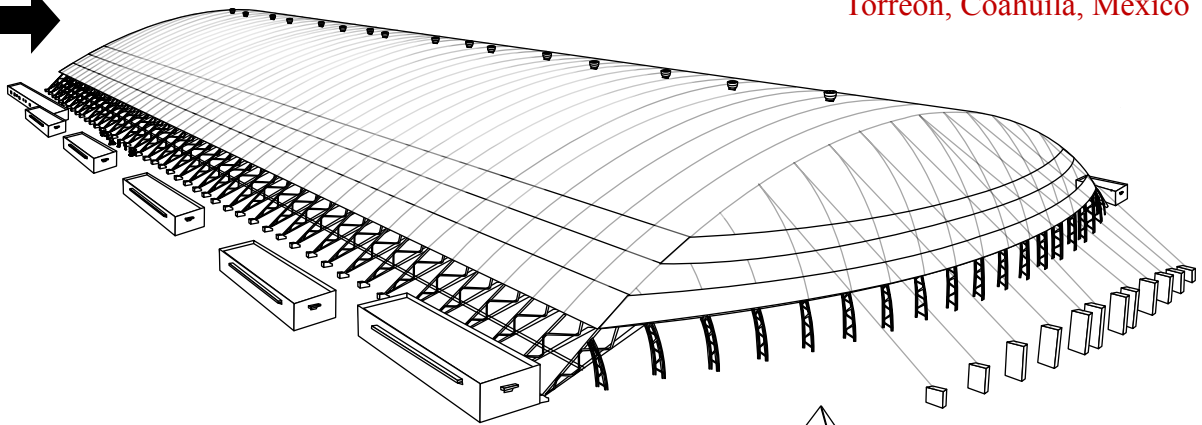

We are living in a time like the time in which Jesus turned the waters into wine.
We are living in a time for which there are great promises of a great revival, which will be greater than there have been in the history of the Church of the Lord Jesus Christ; but that it is typified, represented, in the one there was in the time of the apostles and in the one there was in the time of each angel messenger...

What is a Revival?

We find throughout the Scripture many revivals that have happened. And what is a revival? A revival is the movement of God, the movement of God in God's power, it is a Divine movement manifested on this Earth, it is the way that God moves in the time in which one lives, it is the manifestation of the Work of God for that time.

And when a certain time comes for God to do something, then a revival emerges; and that revival is God's great manifestation, God's great movement to fulfill what He promised.

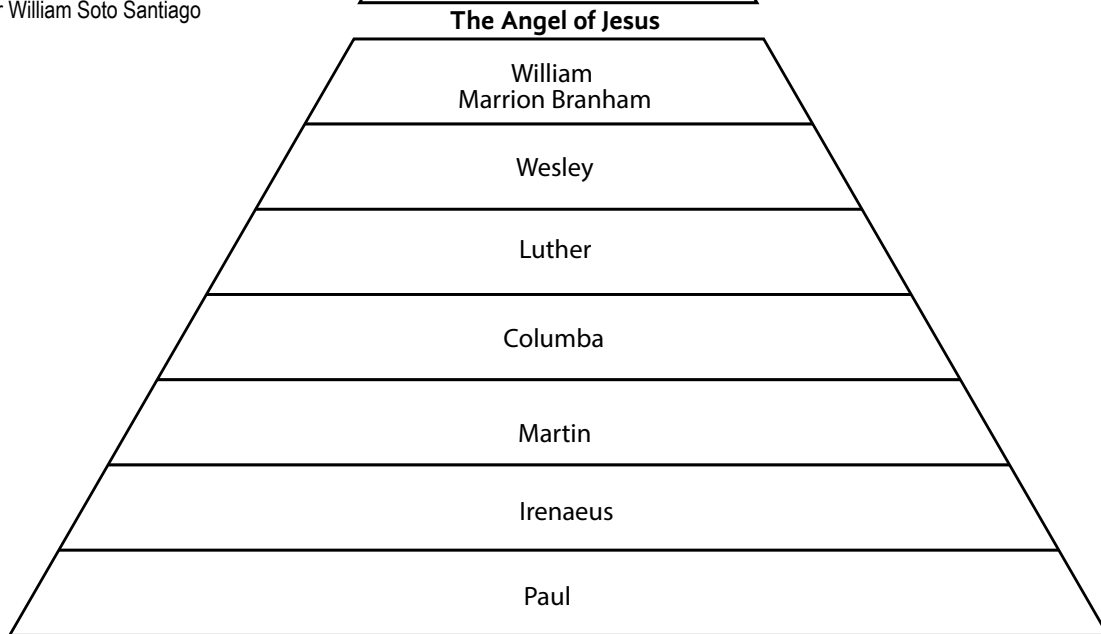

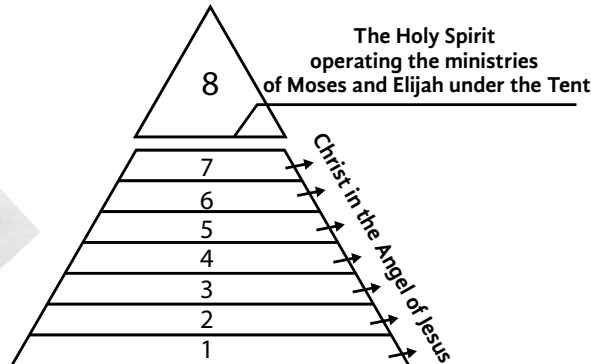

And when people enter that divine movement, they enter to receive God's blessing for that time. There is no other way to receive God's blessing, one must enter the divine movement for that time. And that divine movement is God's revival, God's revival for that time; and the people who go into that divine movement, are in a divine revival, and that divine revival produces those divine blessings, the divine blessings for that time.

[WSS] «A man for a revival».

Illustration made by
 brother William Soto Santiago

[WSS] «The difference there is between God's revival and a human revival: both run parallel to each other».

[WSS] «God's is through the Holy Spirit, in a man with a ministry and a Message [revealed] of God, a revelation in the midst of His Church; and produces born again sons and daughters of God in and for the Kingdom of God; and they are members of the Church of the Lord Jesus Christ, each one in his age and dispensation».

[WSS] «The human one is through a (their) denomination with (in) denominational men, and they produce more denominational members for their denominations».

[JBP] And that is the difference between a revival of God and a human revival, and he tells us that they run parallel.

Activity: Color and glue cotton on this flock of sheep with their shepherd, who represents the man that God will be using today in the midst of His Church bringing a revival.

Your name

[WSS] «but if it is not denominationalized, then the revival continues and the messenger is still alive, and the Church is like sheep with a shepherd».

*pero si no se Denomi-
naliza entonces el
avivamiento sigue
y el mensajero sigue
vivo y la iglesia es
como ovejas con
Pastor.*

[JBP] Notice how the revival continues, and the Church (the people) are not denominationalized because the messenger is still alive. That is not how it happened in the past ages.

In the Age of the Cornerstone, our brother William was telling us in a message, that that was not going to happen in the Age of the Cornerstone, because God would leave there the ministries of Moses and Elijah.

Answer:

What age are we in today?

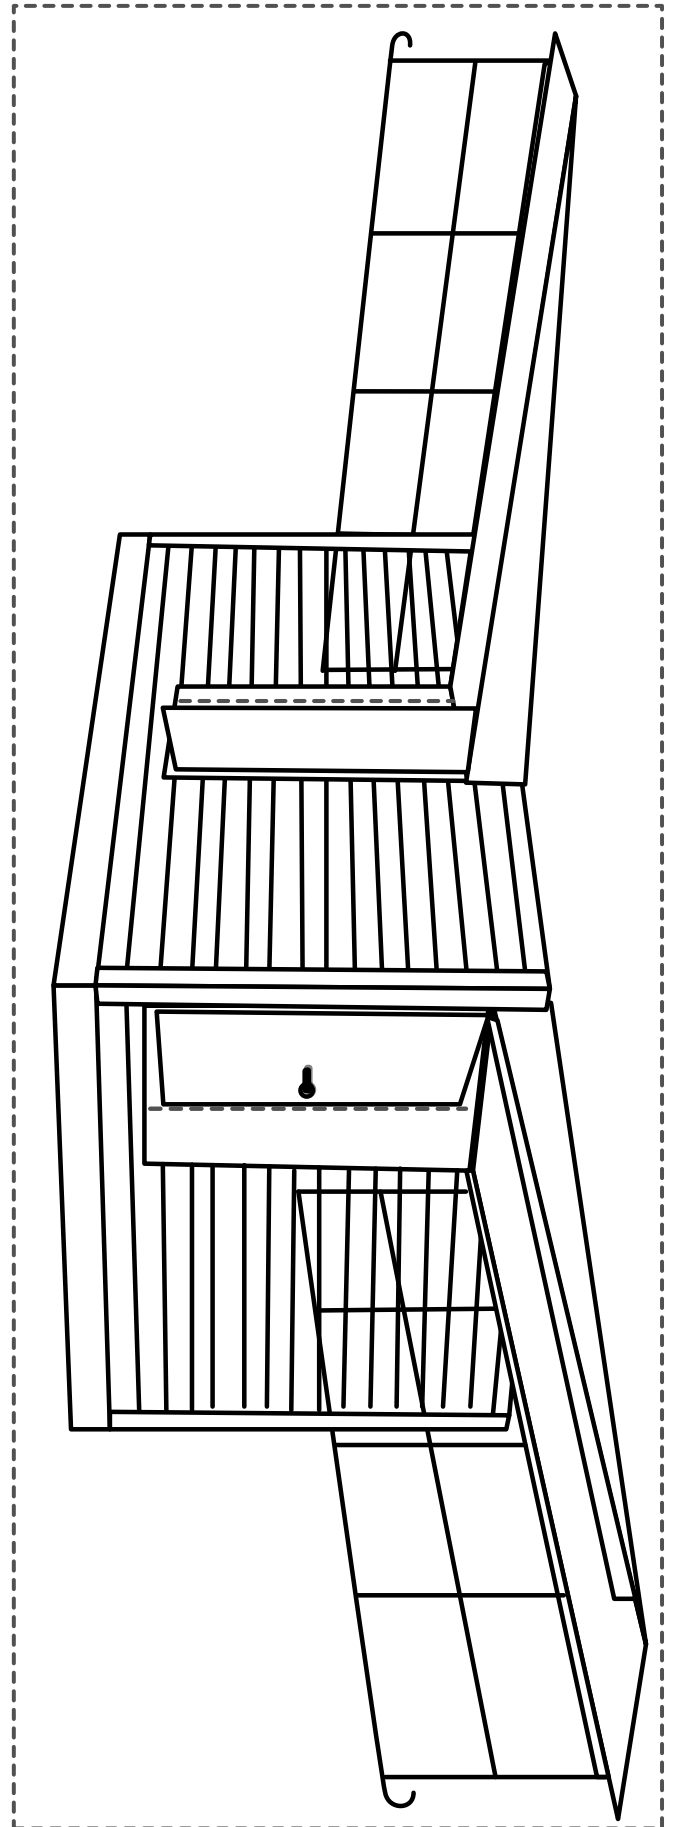

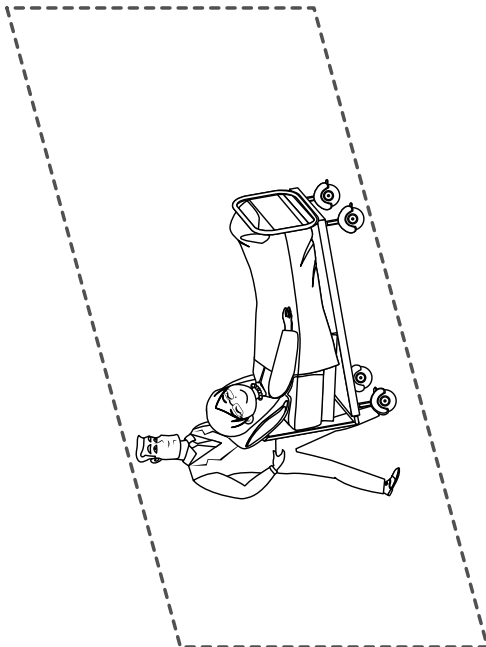

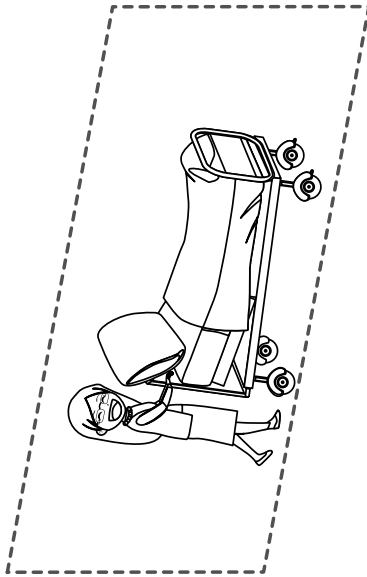

Why won't this age be denominationalized?

What ministries will be in The Great Tent Cathedral today?
