### The Difference Between the Reflection (the Types) and Reality

Dr. Jose Benjamin Perez

What is eating of the sacrifice back in the time of Moses —the sacrifice, the type and figure—, the Hebrew people eating of it... every year they sacrificed a lamb.

[Type]• What is eating of it and obtaining something temporary;

[Real]• and what is eating of the real, of the reality of what was shown in those types and figures...; and eating of that One, which would then no longer be temporary and covered, right?

There it was covered [T], here it is taken away [R] (the sin of each one).

How to put also what it is to eat of the Tree of Life, which is the Title Deed:

[T]• to eat it in the type and in the reflection,

[R]• and to eat it in reality;

[R]• in what produces that Title Deed in reality,

[T]• and what produces the Title Deed by eating it in the type.

It would be [Lamb]:

[T]• Eating of the lamb, of that goat, that night, and every year they represented it by killing, sacrificing that lamb to cover the sins.

[R]• What is eating of Christ, the perfect Lamb, to take away the sins.

There we have that type and the reality: the shadow and the real.

[Title Deed]

[T]• And to eat of the Title Deed, the Book sealed with Seven Seals, in the content of the Message, of the revelation, of the prophecy, of what was prophesied, of what was spoken that would be, in other words, it becomes something that is prophesying of something that was going to happen later on. Eating of that; which is temporary, because it is not going to produce anything in the person if you stay eating that type and figure...

[R]• And what it is eating of the real, of the reality of that which was represented in brother Branham and brother William, which would be happening in the real.

[R]• What the real one is going to produce is adoption.

[T]• What the type and figure of eating of that Title Deed produces, in the type and figure is: preparing for the great tribulation.

[R]• Because that then is going to show them that this which was being talked about —the real thing— was what was going to produce the rapture, the Rapturing Faith.

[Foolish virgins]

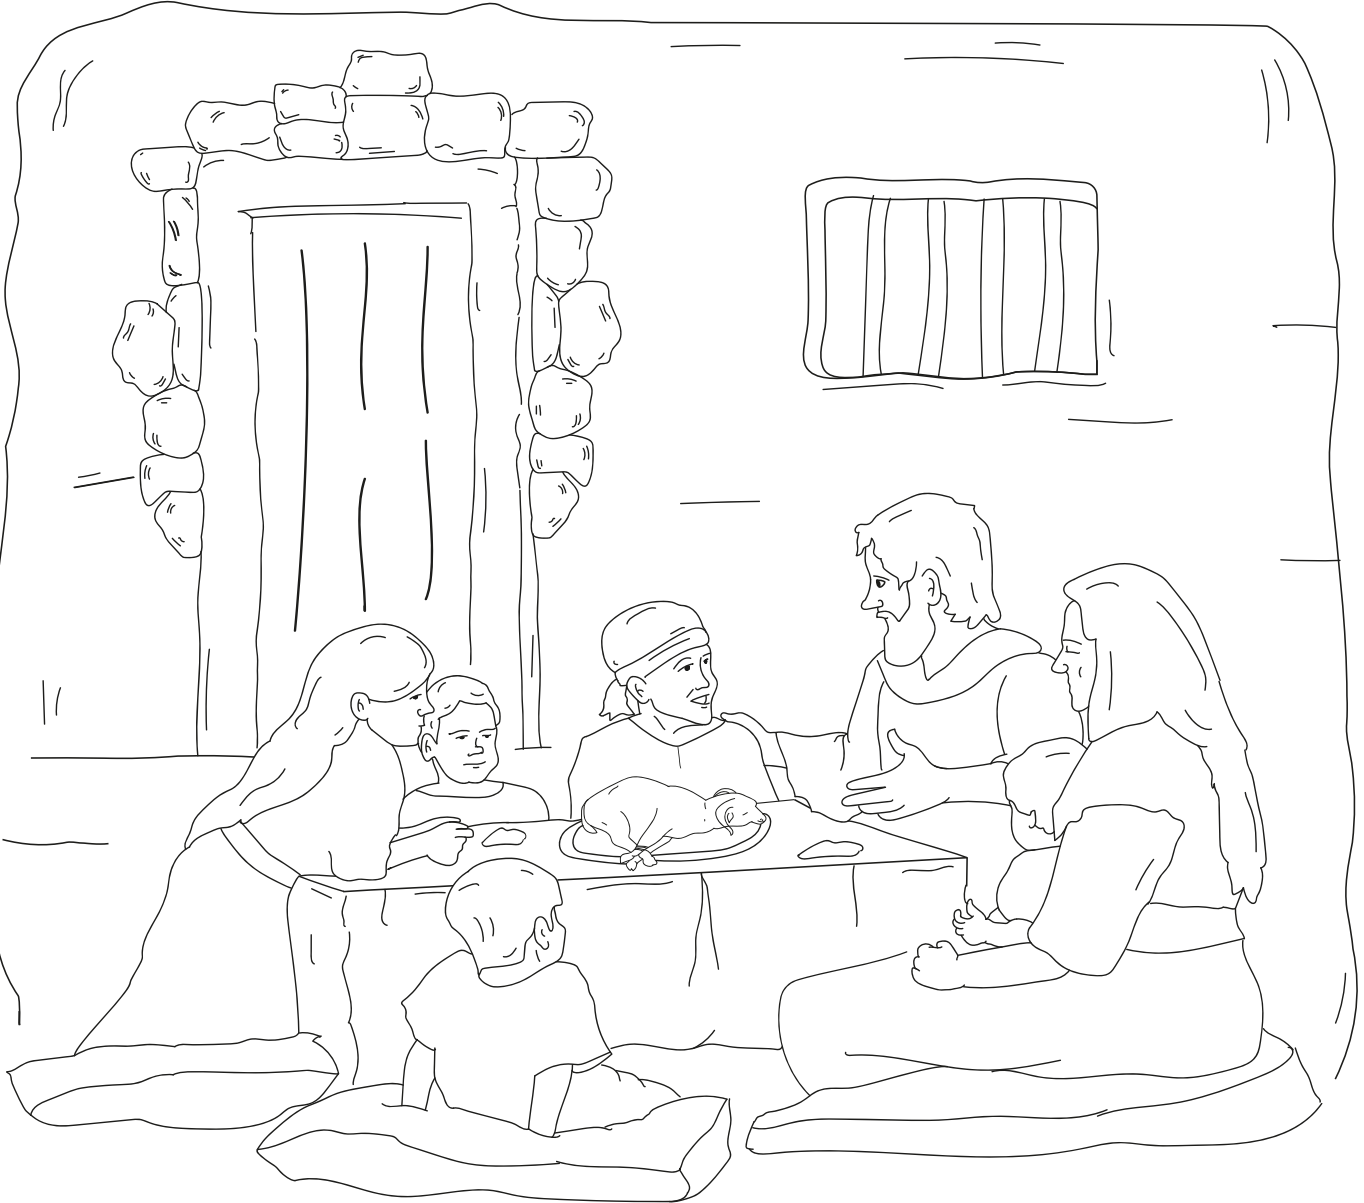

But they stayed with the types and figures; which, when the time comes, they will realize that this is what they really needed; because they will come knocking at the Door:

— “Give us some of that too!”

— “No, it is already closed; now to the great tribulation.”

But since they have the knowledge of the Message, of the type and figure of what was prophesied to be when that Tree would be: which is Christ in human flesh, and eat of Him: which would produce that Rapturing Faith; since they know and have that knowledge, by going already to the great tribulation, then, with the knowledge of the Message, then they give their life; and they would be there already purified, knowing that by the Message and by the instrument where that Title Deed became flesh, they would obtain eternal life, if they have not crossed the line.

There is a group of people who would know, would understand, and would then be willing to give their lives in the great tribulation.

I was then brought to a plain where a platform was erected. Seemingly, it was under a large tent or auditorium. There were curtains drawn in back of the platform.

"For the end time it is promised that there will be a Great Tent Cathedral, in the place where it is to be set according to the Divine Program, that is where the Tent Vision will be fulfilled, and it will be for the messenger that pertains to the Age of the Cornerstone."
