Scripture: Matthew 27:35-53

[Rev. José B. Pérez] For which, we read the part of the Scripture... Matthew, chapter 27, from verse 45:

⁴⁵ Now from the sixth hour [WSS] «11 to 12» there was darkness over all the land unto the ninth hour.

⁴⁶ And about the ninth hour [WSS] «2 - 3 p. m.»...

[JBP] In other words, more or less at this time, almost 3:00 in the afternoon... "Close to the hour," in other words, it was almost 3:00 in the afternoon. The day was normal, but notice that darkness began to come at an hour that is very difficult for that to happen; but something very important was happening in the Divine Program.

⁴⁶ And about the ninth hour Jesus cried with a loud voice, saying, Eli, Eli, lama sabachthani? that is to say, My God, my God, why hast thou forsaken me?

⁴⁷ Some of them that stood there, when they heard that, said, This man calleth for Elias.

⁴⁸ And straightway one of them ran, and took a sponge, and filled it with vinegar, and put it on a reed, and gave him to drink.

⁴⁹ The rest said, Let be, let us see whether Elias will come to save him.

⁵⁰ Jesus, when he had cried again with a loud voice, yielded up the ghost.

Jesus' Hours on the Cross

Color

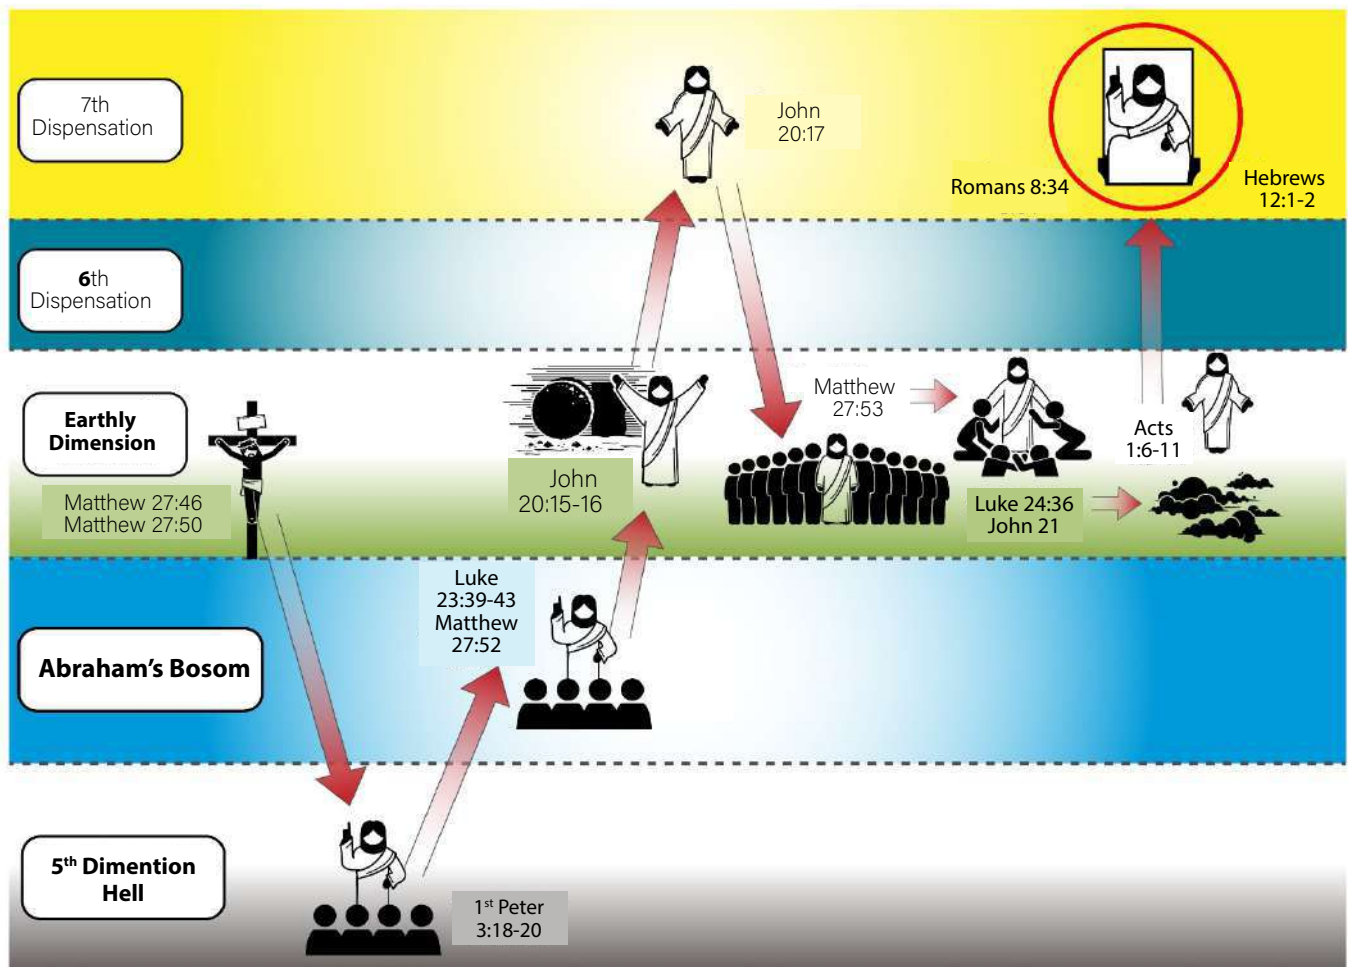

And we find that when Christ died, He went on... after going and preaching to the spirits in prison in that region of the fifth dimension, He then went to Paradise, to the Bosom of Abraham, to bring the resurrection of Abraham, Isaac, Jacob, and all the Old Testament saints who were waiting there for the Messiah, the Lord, to come.

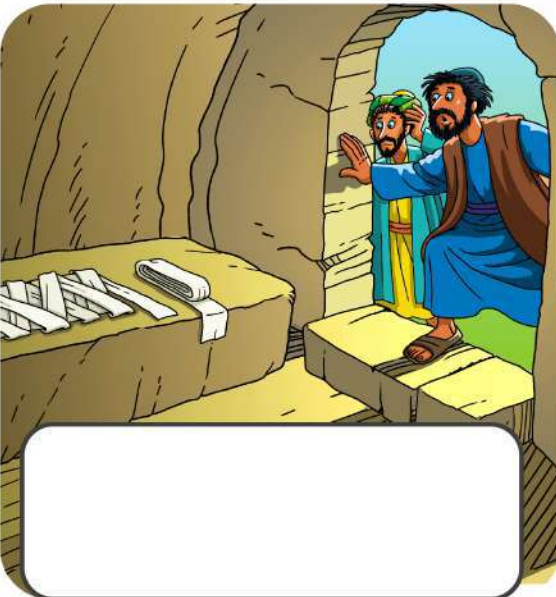

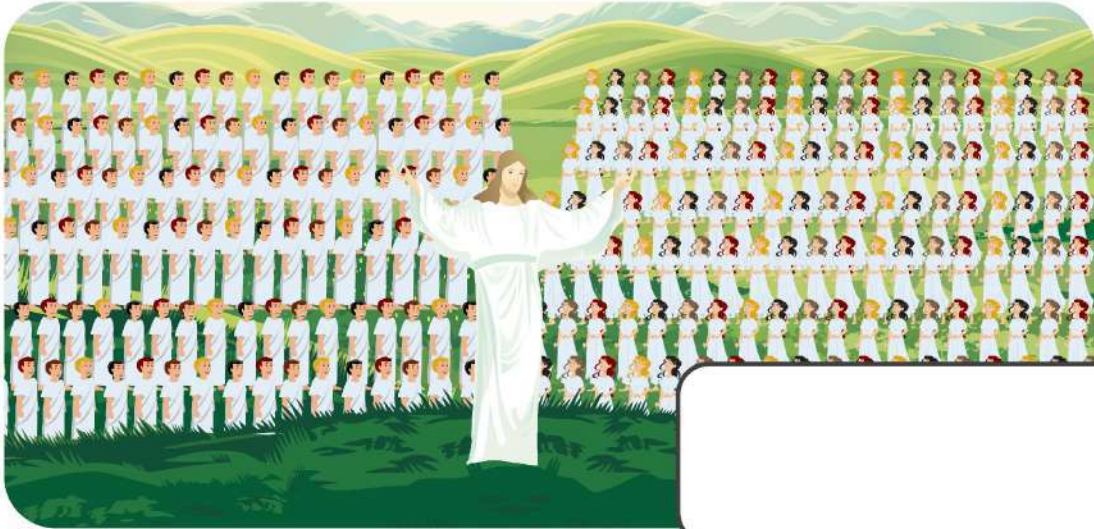

The same thing happens with those who are currently in Paradise, who are waiting for the Coming of the Lord there, so that He brings them to Earth, resurrects them in eternal and glorified bodies, and then they go with Christ to the Marriage Supper of the Lamb.

JESUS PREACHING IN THE FIFTH DIMENSION

Write in the box what happens in the scene and with the help of your parents or teachers place the corresponding Scripture

[JBP] Now, remember one important thing, and that is that when He came in His First Coming, we were represented in Him. He says that when He was crucified, we were with Him; when He died, we were dead with Him; when He was buried, we were buried with Him; when He went to hell, we went to hell with Him as well; when He resurrected, we resurrected with Him; when He ascended to Heaven, we ascended to Heaven with Him. In other words, all that trajectory we were with Him.

And in His Second Coming we are with Him. We are being prepared with Him.

See, we are leaving our faults, our mistakes, our problems, and even this sinful body; we are leaving everything in the fifth dimension.

And you will say to me: "But how is that possible?" Look, remember, He came down there in Spirit, not in His body.

(...) [JBP] In other words, everything that happened in His First Coming, both in His ministry and when He was crucified, as well as when He went to hell and spent three days there; when He passed through Paradise and resurrected those of Paradise, those of the Old Testament, and then appeared here in the resurrection to many; and then in the ascension to Heaven; all that is updated in this time in all that ministry of Jesus updated in this end time. For it shall be parallel in all things; and not in some things, but His Second Coming will be parallel in all things.

In other words, see how at this time we are in that stage, in that phase, in that Third Pull of the ministries of Moses and Elijah in the midst of His Church.

[JBP] There is a place..., let's read that little part there. That is in John 20:19, or we can read from 15; it says (the Scripture we had read at the beginning):

John 20:15

¹⁵ Jesus saith unto her, Woman, why weepest thou? whom seekest thou? She, supposing him to be the gardener, saith unto him, Sir, if thou have borne him hence, tell me where thou hast laid him, and I will take him away.

¹⁶ Jesus saith unto her, Mary ([JBP] See? She knew Him by the Voice). She turned herself, and saith unto him, Rabboni; which is to say, Master.

¹⁷ Jesus saith unto her, Touch me not; for I am not yet ascended to my Father: but go to my brethren, and say unto them, I ascend unto my Father, and your Father; and to my God, and your God.

[JBP] Now, see that the... that part where Jesus is already resurrected there, that way in which He was, in which He hadn't ascended to the Father yet, is very important.

Now, she saw Him, and she was not surprised; it wasn't something supernatural to the human eye, because she treated Him as a worker there.

And many times, or repeatedly, in the midst of the Divine Program in each time, people are never able to see (look) what is behind the veil; because even with a glorified body, and Mary could not identify Him, how much more a body that has not yet been transformed!

If she could not identify Him there, how much more the people when God is fulfilling and carrying out a Work? They will not be able to see, those who do not have that prophetic insight, will not be able to see Who is behind that veil.

If it was difficult for Mary, and only the Voice was the one who identified Him, how much more for those who are seeing how God is working, even without that person being transformed!

[Dr. Jose B. Perez] And on [page 328](#) [p. 385 in Eng.] notice there; to conclude, notice, it tells us... There it speaks to us about what He did there in His First Coming; but I want to reach a point here, look [\[The Seals\]](#):

⁴⁶³ If that person, or persons, are in here, that desires that, or want to accept it upon the basis of your faith in the shed Blood that God had to shed for you, suffered beyond anything that any other mortal. There couldn't have been a mortal being suffer like that. Till, His Own grief separated His water from His Blood, in His veins. Before He went to Calvary, drops of Blood was coming from His body, with such grief and broken heart that what He had to do.

[JBP] He knew it was going to be a very hard, very difficult road; but notice, he says:

[⁴⁶³ But, could have refused it, too ([JBP] brother, I could have refused what He entrusted me with) *But, willingly did it for you and I.*

[JBP] And I willingly do it for you. And how are you going to reject?!

He says there:

[⁴⁶³ Can you reject such matchless love?

[JBP] Notice, that was in His First Coming, and that is also in His Second Coming; because we are in the Age of Divine Love, and it will be the Great Victory in Divine Love.

Therefore, divine love is also being expressed to every person who receives the Message of Moses and Elijah; who would be receiving mercy, God's mercy for the last time.

I could have refused, but I didn't; instead I willingly did it for you!

[JBP] Now, when He went... (Boy! There we are getting into a part that I haven't talked about...), because when He went to the fifth dimension to preach to the disobedient spirits in the time of Noah, He passed through Paradise.

At that time it was... Although it's still called Paradise, the sixth dimension; but that place—which still exists—where the foolish go and where the 144,000 are going to go; passes through there, which is the place that was between the Earth and hell; that's why when he ascends: passes, He brings them to Earth, and they're raptured.

Now, after the death of Christ on the Calvary's Cross, that place of the sixth dimension is where those who have departed from the ages go and those of this time, go to that place; but then He comes, and when in His Coming He passes through Heaven, He brings them; He now descends.

But when He was there in hell and went through Heaven, there He spoke to them about something that they had to know in order to be raptured; because if they are resurrected and do not get that knowledge, they could not be raptured.

And that represents what is being made known here; and that group there, which is listening, is receiving everything that is being spoken here.

At that time, if you notice, there was an abyss that divided that place (which was called Abraham's Bosom) from hell; because he could look at Lazarus on the other side, there was that communication. But those of that place, at that time, Abraham's Bosom, could not hear what was happening here. Like now: those of the fifth dimension cannot hear what we are speaking here.

At that time in Abraham's Bosom was heard the... - or the rich man in hell and from hell could look. See? They had that... But now, that of listening, it is only in that part now of the sixth dimension, where they do listen.

Notice, Jesus had to go there to preach to the spirits; but when He passed through that place, there He spoke to them so that they would obtained that Rapturing Faith, like Enoch had.

And all that is what we have been speaking about; about Lazarus. Lazarus died afterwards because he did not hear the Thunders, but he did hear the Voice of the Resurrection. "Lazarus, come forth!" Thus at this time the dead will hear the Voice... When it says "the dead" then it is those who are asleep.

There you can say... It says: "The dead shall hear the Voice of the Son of God, and shall rise," you can say: "Those who are in Heaven shall hear the Voice of the Son of God, and shall come and rise." See? In clearer words. Because just as...

And notice that He says: "And many of those who were in the tombs... And came out of the tombs after His resurrection." In other words, the first one to arrive was Jesus, but He had already passed through Abraham's Bosom, He had already been with the disciples at that time there.

In other words, Revelation 11, when it takes place, He will be there first, and then the ones from the sixth dimension will be appearing; there the judgment will already be over
